Open Gov Kit

a toolbox for innovation

The Problem

Open Government is a new field that brings new questions

- ◉ What are the main axes?
- ◉ Which are the actors involved?
- ◉ How to understand what are the challenges, opportunities and threats?

The Problem

Open Government is a new field

- Evolving very fast
- The knowledge is disperse

The Solution: a Toolbox

- ◉ To gather together in one place the most important information about the field
- ◉ To connect and interrelate all the information
- ◉ It is going to be scalable through contributions, a website and a book

The Audiences

- ◉ Academia
- ◉ Civil Society
- ◉ Foundations
- ◉ Governments
- ◉ Institutions
- ◉ Privates

The Open Gov Kit is a book and web toolbox that gathers in one place everything you need to know about Open Government: the main axes, the most relevant actors in the field, leading initiatives and the factors needed for innovation in public institutions.
